

THERE IS AN ALTERNATIVE TO NOTTS COUNTY CUTS

Nottinghamshire County Council has over £150million in cash reserves, but it plans to

- cut 2,500 jobs
- reduce Special Education Needs support in schools
- close 25 adult care centres
- sell off elderly persons homes and raise residents fees £800 per month
- cut the Sure Start budget
- end all Welfare Rights services and slash the grant to Citizens Advice Bureaux
- cut library services
- cut grants to local charities

And it spends millions on consultants.

UNISON believes the council has got it WRONG. There is an alternative.

They should be sitting down with us to review services properly and use reserves to support essential services in the interim.

Simply slashing jobs will just mean vital services fail, hitting the vulnerable and the needy most. The same people that councils should legally protect. No-one voted for these cuts and we don't believe YOU want them either.

Even the Government says councils SHOULD spend reserves on supporting vital services BUT Notts County Council says it won't. See over for how you can join our campaign TODAY.
